

GARDEN GROOVES

SPONSORSHIP

Garden Grooves virtual music concert series is accepting sponsorship for the 2022 concert season. We graciously accept monetary gifts through [Paypal](#) which are applied directly toward production expenses, audio/visual engineers, equipment, compensating the band, and future livestream concerts.

Simply choose from the custom dropdown menu and select "Garden Grooves" to allocate your contribution towards our 2022 Virtual Concert Series. Upon completing your contribution you will receive a follow-up email from Creative Arts Farm confirming receipt and to determine your personalized sponsorship acknowledgment.

Sponsors receive up to (2) two features in our Sustainability & Self-Care newsletter with links to your business, Social Media acknowledgement, product visibility placement during performances (when applicable), verbal recognition during performances and/or through social media, as well as free admission to our full season of music offerings.

Each Garden Grooves virtual concert costs approximately \$1,500 to produce, having your support with a portion of production expenses helps us further our availability to provide wellness in the form of music.

The Creative Arts Farm Band looks forward to
Sowing Seeds of Wellness with you!
